Dear Janet,

I am pleased to provide a letter of recommendation for Nutritious Lifestyles. I have relied on the professionals of Nutritious Lifestyles for several years in a variety of long term care settings. The staff that have been provided under contract have always been knowledgeable and adept at problem-solving. I have experience in working with Nutritious Lifestyles' Registered Dietitians, Certified Dietary Managers and Diet Technicians in permanent assignment and temporary settings.

Some of the key reasons I am confident in relying on the services of Nutritious Lifestyles' professionals includes:

- the years of experience of individuals and cumulatively within the organization;
- the variety of settings and types of services provided;
- the support structure for operational and clinical issues; and
- the ready response to emergency needs.

When faced with a need for a nutritional professional, assistance with interim services or evaluation and assessment of dietary operational issues I contact and rely on Nutritious Lifestyles. Thank you for your support and professional assistance.

Sincerely,

Kathryn W. Smith, RD, LD, MBA
